

WELCOME TO DRAGSHOLM SLOT BISTRO

LUNCH & EVENING

Welcome to Dragsholm Castle's meeting place, Dragsholm Slot Bistro. The Bistro's kitchen is based upon the same philosophy as our critically acclaimed gourmet restaurant, Dragsholm Slot Gourmet, which received a Michelin star in the Michelin Guide Nordic 2017 and has held it since. In the Bistro too, it is the Lammefjord's vegetables, besides the various herbs from the castle's herb garden, which make up the rootstock in the kitchen. Added to this comes the very best meat, fish and shellfish we can find in the area.

The kitchen style in the Bistro is simpler and more informal than in the Gourmet. We have not compromised on the quality of the craftsmanship and raw ingredients, but whereas we would like to surprise and challenge our guests in our gourmet restaurant, the Bistro is the place where we confirm the old adage of "old love does not rust" - but in our own interpretation.

If you feel like a drink before or after your meal, you can ask your waiter about the season's cocktails, which take inspiration from more than 100 different herbs in the castle's herb garden.
